3. Frequency use is on a shared basis and the chief executive does not accept liability under any circumstances for any loss or damage of any kind occasioned by the unavailability of frequencies or interference to reception.
4. Should interference occur to services licensed pursuant to a radio licence or a spectrum licence, the chief executive reserves the right to require and ensure that any transmission or any emission pursuant to this General User Radio Licence change frequency, reduce power, or cease operation.
5. Transmissions that are broadcasting, as defined in the Broadcasting Act 1989, are not permitted.

7. Consequential revocation of licence—(1) The Radiocommunications (General User Radio Licence for Short Range Devices) Notice 2014, dated the 2nd day of October 2014, and published in the [New Zealand Gazette, 2 October 2014, No. 119, page 3335](#), is revoked.

(2) Notwithstanding the revocation of the notice under subsection (1), every transmitter capable of making transmissions compliant with the requirements of that notice on the commencement date of this notice is deemed to be compliant with the requirements of this notice.

Dated at Wellington this 30th day of July 2015.
