Notice of the Electricity Industry Participation Code Amendment (Code Review Programme) 2015

1. Under sections 38(3)(b) and 39(3) of the Electricity Industry Act 2010 ("Act"), and having complied with section 39 of that Act, the Electricity Authority ("Authority") gives notice of making the Electricity Industry Participation Code Amendment (Code Review Programme) 2015 ("amendment").
2. The amendment comes into force on **1 February 2016**, except for the amendment to the definition of "contract for differences" which comes into force on **15 January 2016**.
3. The amendment makes a variety of improvements to the Electricity Industry Participation Code 2010 ("Code") that the Authority had identified either in the course of its work or as a result of suggestions received through the Authority's Code amendment proposal process. The amendment mostly represents changes to the Code that would be beneficial, but that do not (of themselves) warrant a separate Code amendment.
4. In accordance with section 39(3) of the Act, the Authority has not prepared and publicised a regulatory statement or consulted on a regulatory statement because it is satisfied that the amendments are technical and non-controversial, there is widespread support for the amendments among the people likely to be affected by them, or there has been adequate prior consultation so that all relevant views have been considered.
5. A copy of the amendment and the Code is available on the Authority's website
www.ea.govt.nz/code-and-compliance/the-code/
6. A copy of the amendment and the Code may also be inspected free of charge or purchased from the Electricity Authority, Level 7, ASB Bank Tower, 2 Hunter Street, Wellington.

Ministerial Exemptions Under the Anti-Money Laundering and Countering Financing of Terrorism Act 2009

In accordance with section 157(6)(b) of the Anti-Money Laundering and Countering Financing of Terrorism Act 2009 ("Act"), the Associate Minister of Justice hereby gives notice that he has granted the following exemption from the Act:

Ministerial Exemption: Young Women's Christian Association and Angel Fund of Dunedin

1. In my capacity as the Associate Minister of Justice and pursuant to section 157 of the Anti-Money Laundering and Countering Financing of Terrorism Act 2009 ("Act"), I exempt Young Women's Christian Association (YWCA) and Angel Fund of Dunedin from all provisions of the Act.
2. The exemption has been granted for the following reasons:
 - a. There is a very low risk of money laundering and terrorist financing through the YWCA and Angel Fund of Dunedin as:

- i. it is a not for profit organisation that charges no interest, nor pays any interest on the funds loaned to borrowers;
 - ii. it offers defined and limited services to specific customers (low-income female residents of Dunedin) and requires the borrowers to provide evidence of the purpose for which loans provided will be used;
 - iii. prospective borrowers go through an approval process that includes an interview and provision of comprehensive personal information; and
 - iv. it meets the criteria of a “low risk” financial inclusion institution under the Financial Action Task Force guidelines, making it suitable for a full exemption.
- b. Due to the very low money laundering and terrorism financing risks raised by the YWCA and Angel Fund of Dunedin and the significant compliance costs that would arise from not granting this exemption, I consider that any benefits or requiring compliance with the Act are not justified by the associated costs.
- c. This exemption is consistent with (and has no effect on the purpose or intent of) the Act, the Financial Transactions Reporting Act 1996 and New Zealand’s international obligations as a member of the Financial Action Task Force and the Asia Pacific Group on Money Laundering.
3. This exemption came into force on the day after the date I granted this exemption (**1 December 2015**).
4. This exemption will expire on **30 June 2018**.
