Charitable Trusts

MARSHLANDS HALL TRUST

Application for Approval of a Scheme to Vary Trust Deed

Pursuant to Part III of the Charitable Trusts Act 1957

Notice is hereby given that Parafed Canterbury Incorporated, a society incorporated under the Incorporated Societies Act 1908, has filed an application in the High Court at Christchurch for approval of a scheme varying the terms of the MARSHLANDS HALL TRUST ("Trust") deed.

The Trust deed outlines the charitable objects of the Trust. Under the scheme, the applicant seeks to broaden the scope of those charitable objects and make certain amendments to the Trust deed, such that the proposed objects of the Trust can be fulfilled in light of the earthquake damage to the Marshlands Hall and the need to ensure there continues to be a hall for the benefit of the Marshlands district and the viability of the Trust fund. The scheme also provides for more modern language in the Trust deed and more modern governance of the Trust.

Copies of the application, the proposed scheme and the report of the Attorney-General may be inspected at the office of the Registrar of the High Court at Christchurch or the offices of Wynn Williams, solicitors for the applicant, at Level 5, Wynn Williams House, 47 Hereford Street, Christchurch.

The application is set down for a hearing in the High Court at Christchurch on 15 May 2017. Any person desiring to oppose the scheme is required to give notice in writing of his or her intention to do so to the Registrar of the High Court at Christchurch, the applicant (through the office of Wynn Williams) and the Attorney-General not less than seven days before 15 May 2017.

J. V. ORMSBY, Solicitor for the Applicant.

Pursuant to section 31 of the Greater Christchurch Regeneration Act 2016, the Minister supporting Greater Christchurch Regeneration has approved an outline (“Outline”) for Regenerate Christchurch to develop a Ōtākaro/Avon River Corridor Regeneration Plan (“Plan”).

In accordance with section 28 of the Greater Christchurch Regeneration Act 2016, the Outline sets out the process by which the Plan will be developed together with the scope and overall intent of the Plan.

The Plan will apply to all land (including land covered by water and any airspace over land) within the area identified on the Ōtākaro/Avon River Corridor Regeneration Area Map provided in Appendix 1 of the Outline (“Area”). It will cover:

- All residential red zone land located within the Area together with legal road reserve;
- the Ōtākaro /Avon River waterbody and margins including that part of the river between the Coastal Marine Area boundary and the mouth; and
- land held by the Christchurch City Council and the Crown (Ministry of Education) that is contiguous with the land mentioned above and where the inclusion of such land will enable a consistent spatial planning treatment.

The Plan will establish a vision and spatial plan for the Area that provide for land uses and activities that will make a positive and timely contribution to the social, economic, cultural and environmental wellbeing and resilience of surrounding communities and greater Christchurch.

The process adopted to develop the Plan will ensure that opportunities are provided to the community to have input into decisions on future land uses and activities within the Area and will ensure that the role of local leadership is recognised and provided for.
